

July 2021

Dear Students and Parents,

First and foremost, I hope that everyone is enjoying this summer. As we move closer to the start of instructional activities in August, we are asking for your assistance in our preparations. Enclosed is a copy of the 2021 - 2022 Student Handbook, along with a set of student forms, we kindly ask each family to fill out and return to us in the self-addressed, stamped envelope that is supplied.

We are looking forward to returning to in-person instruction five days per week this year. We will continue to promote frequent hand washing, sanitizing of shared tools between sessions, and for students and staff to remain home when experiencing respiratory infections. We will continue to provide updates that are received through the Department of Health or Education at www.beattietech.com throughout July and August.

We are looking forward to all students being in the classroom this year for hands-on instruction. We will only provide remote distance learning for students that are placed on quarantine or isolation for related COVID-19 symptoms through doctor's orders or notification provided by the Allegheny County Health Department. Quarantine and isolation information may be shared by contacting Mrs. Holzworth at thea.holzworth@beattietech.com or 412-847-1909.

The continued understanding and support from our families is appreciated as we look forward to returning to normal operations for the benefit of all students. Please reach out to us if we may be of any assistance throughout the school year.

Respectfully,

Eric C. Heasley
